The Sound of Celebrations

Join us for a **FREE** Concert!

Sunday, July 10
6:30 pm

Music composed for celebrations provides the inspiration for the second performance of the 2016 Summer Concert Series by the Manchester Community Band. Whether for Christmas, Hanukkah, Kwanzaa, a national holiday or a religious or ethnic ceremony, songs and festive music play a significant role in the observances and our fond memories of those events. Melodies that are very familiar are blended with songs that are not so familiar to create wonderful arrangements capturing the spirit of the occasion. Come and salute a year of celebrations in July!
